

United Way of Southwest Virginia Careers Expo for Youth

Employer Participation Form

United Way of
Southwest Virginia

The 2017 SWVA Careers Expo for Youth provides students the opportunity to meet employers from around the region and participate in student friendly learning activities prior to taking their career assessments as required by the Virginia Department of Education. The goal of this event is to spark an interest within the students as they explore different career options.

Employer booths are \$100. You and your organization will receive:

- One booth which includes an 8 foot table, two chairs (must provide a 5-minute student learning activity)
- One (1) meal voucher per person per day (maximum of two per day)
- Company listed on student map at event

It's that easy! What a great way to get your company/organization involved with our future workforce and have an opportunity to show your support by helping middle school students learn about their future career possibilities.

We invite you and your organization to be a part of this event. To participate, complete the form below and return it to us with your \$100 fee. Once payment is received, detailed information about your activity will be requested.
