

JOIN US FOR DAY TO SERVE 2017!

UNITED IN SERVICE

Thanks to the partnership between the Fairfax County Clergy and Leadership Council and Day to Serve, Fairfax County houses of worship are unifying in service.

This year, you're invited to join neighborhood churches, mosques, temples, synagogues, and other faith institutions to serve those in need.

HOW IT WORKS

Identify a service leader and invite the houses of worship around you to join a new service project, one of your annual service activities, or another service event already on your calendar.

You may choose any date this fall for your service event to take place. Most Day to Serve projects will take place from September 11 through October 10.

GET INVOLVED

For more information on how to get involved, please see link and email ncsinterfaith@fairfaxcounty.gov or call 703-324-3453. Also see daytoserve.org for resources on how to start planning today.

Thank you for joining and serving our community!
