

Kinship Care

Potential Child Safety Plan Goals

In-home services implementation is working to align CPS ongoing, Family First legislation, and Prevention. Child safety planning is just one tool to help advance the practice. These example scenarios can help families and staff think through the process.

How do we do this?

Goal 1: Child Safety Plan

- Goal: Child(ren) Living/Remaining Safely in his/her Own Home

Goal 2: Child Safety Plan

- Goal: Based on Family Plan, Child(ren) temporarily living with Relative (kin) due to safety concerns but will go back home within 6 months

Goal 3: Child Safety Plan

- Goal: Based on Family Plan, Child(ren) lives with Relative (kin) long term with regular visitation with parents
